

Looking for a rewarding career in Disability?

Begin your journey by enrolling in our next course Certificate III in Individual Support (Disability) CHC33021

Make a difference in the lives of people with disability, illness or injury by learning real skills to provide individualised, person-centred support. As part of this nationally recognised qualification, you will also gain real experience in a work placement (120 hours required) preparing you for your rewarding career in disability.

Next course start date: 13th August 2026

Training hours: 9:00am-2:30pm, Wednesday, Thursday and Friday each week

Length: 18 weeks in classroom + 120 hours industry placement

Location: Myhorizon, 1-15A Runnymede Road Capalaba Qld 4157

Cost: This 'Skilling Queenslanders for Work' (SQW) project is proudly funded by the Queensland Government. Funding is available for eligible participants. To discuss your eligibility, contact us today.

What to expect:

- Team building activities
- Practical Training
- In class tutorial support for learners
- Industry qualified trainers
- Employment opportunities in the Disability sector, Home and Community Care, Child Care, and other Community Service Areas
- Inclusive training such as First Aid/CPR & Medication Awareness
